III. REMARKS

Claims 16-22 are pending in this application. By this amendment, claims 1-15 and 23-25

have been canceled. These amendments are being made to facilitate prompt consideration and

early allowance of the presently claimed subject matter.

In the Office Action, the Office requires restriction between two allegedly patentably

distinct species of the claimed invention. By this response, Applicants hereby provisionally elect

Group I, claims 1-22, without traverse.

In light of the above, Applicants respectfully submit that all claims are in condition for

examination. Should the Examiner require anything further to place the application in better

condition for examination, the Examiner is invited to contact Applicants' undersigned

representative at the number listed below.

Respectfully submitted,
